DETAILED REQUIREMENTS OF THE REQUEST FOR PROPOSALS FOR AFFORDABLE HOUSING CALCULATION FOR THE CITY'S GROWTH-SHARE OBLIGATION

- 1. CITY OF LINDEN FACTS AND FIGURES** – The City of Linden is a municipal governmental entity. The City was incorporated in 1925. The legislative authority and responsibilities of the City of Linden is vested in the elected eleven-member Council. The Governing Body sets policy, adopts the operating and capital budgets for the City, enacts ordinances and sets the direction of how the City of Linden will provide government services. The Mayor is the County's chief executive officer and carries out the policies adopted by the Council. The City's population is approximately 40,449 and it consists of approximately 11 square miles of area.

The City employs approximately 664 people in about 29 departments and agencies. It owns administration buildings, courthouse buildings, and parks and recreation facilities. The City's operating budget is approximately \$96,000,000.00. It provides significant and diverse services to its residents, including those in the senior, disabled, veterans and other communities.

2. NATURE/ SCOPE OF SERVICES – December 2004, the New Jersey Council on Affordable Housing (COAH) adopted its third round growth share rule for affordable housing. The rule establishes the City obligation to provide affordable housing for the ten-year period from 2004 to 2014. Pursuant to your request, we are providing the City with this proposal to:

1. Calculate the City's growth share affordable housing obligation based upon COAH's newly adopted "third-round" rules;
2. Prepare a housing plan element and fair share plan that addresses the City obligation, and
3. Assist in the preparation of implementation ordinances, including a growth share ordinance.

A three step process to prepare the projections and a City housing plan and ordinance to address the third round growth share for 2004 to 2014.

STEP ONE

Calculate the City's Growth-Share Obligation. The first step is to project residential and non-residential development that will result from new construction within the City from 2004 to 2014. This step is needed to establish the City growth share for affordable housing. Undertaking steps in accordance with COAH's rule for projecting growth share obligations. (N.J.A.C. 5:94-2.4) This will include an evaluation of population projections by the metropolitan planning organization (MPO) for the region and the county, historic data, prior housing and employment projections, and current plans and proposed development in the City.

STEP TWO

Prepare Housing Plan Element and Fair Share Plan. The second step is to prepare a housing element and fair share addressing the requirements of N.J.S.A. 40:55D-28 b(3) (the preparation of a housing plan element) and N.J.A.C. 5:94-4 et seq. (the preparation of a plan to address the projected growth share obligation for the period 2004 to 2014). The fair share plan will include a draft ordinance to implement the recommendations of the housing plan element.

STEP THREE

Preparation Implementation Ordinances. Providing the City with amendments to the City's Zoning Ordinance to implement the fair share plan. Implementation ordinances will include a growth share ordinance addressing new development within the City, the provision of on-site construction of affordable housing for various types of development, and affirmative marketing and administration. Ordinances will be prepared in accordance with COAH rules and will be based on COAH model ordinances where available.

The housing plan element is part of the City Master Plan and will need to be adopted by the Planning Board as an amendment to the City Master Plan and endorsed by the governing body. The fair share ordinances will need to be adopted by the City governing body.

BUDGET

The City of Linden establish's an upset limit of seventeen thousand four hundred dollars (\$17,400) for the scope of services outlined above. Costs associated with securing COAH approval of the housing plan subsequent to the filing of the petition requesting substantive certification and medication (if necessary) are not included in this proposal.

MEETINGS

Attendance at meetings shall be part of this project.

Two (2) meetings with the City's professionals and any subcommittees established by the City or its Planning Board to review the project and discuss the preliminary draft of the plan;

Two (2) meetings with the City Planning Board, the first of which will be to review and discuss the draft plan and the second will be the public hearing on the proposed plan; and
